Dear Sir:

U.S. Patent No. 7,624,430 ("the '430 patent") issued on November 24, 2009.
Pursuant to 35 U.S.C. § 154(b), the United States Patent and Trademark Office (PTO)
calculated a patent term adjustment of 446 days.

A copy of the Issue Notification for the '430 patent is included herewith as
Exhibit A.

Assignee believes that the patent term adjustment should be 472 days. For the
reasons stated herein, Assignee respectfully requests reconsideration of this patent
term adjustment pursuant to 37 C.F.R. 1.705(d). Please charge the petition fee

3 year date is 26 days, under 37 C.F.R. § 1.703(b). Accordingly, Assignee respectfully requests that the PTO correct the patent term adjustment to include the 26 days of non-overlapping adjustment.

II. TOTAL PATENT TERM ADJUSTMENT

For the present application, the total patent term adjustment pursuant to 37 C.F.R. § 1.703(f) is the period of adjustment pursuant to 37 C.F.R. § 1.703 reduced by any delay pursuant to 37 C.F.R. § 1.704. Thus, Assignee submits that the patent term adjustment should be 446 days + 26 days = 472 days, instead of the 446 days indicated on the Issue Notification.

Assignee respectfully asserts that the patent term adjustment determined by the PTO for the '430 patent is incorrect. Accordingly, Assignee respectfully requests the PTO to reconsider, and make revisions to the PAIR system Patent Term Adjustment History in view of the previous remarks. In addition, it is respectfully requested that a certificate of correction be issued by the PTO reflecting the correct Patent Term Adjustment. Office personnel are invited to contact Assignee via telephone if such communication would be beneficial in fulfilling this request.

Respectfully submitted,

Craig A. Summerfield
